

Dear Delegate,

Greetings from ISGCON 2017..!

Thank you very much for your attendance and support towards the conference, We hope you liked all the scientific session(s) and various interactions insides and outside the hall. We hope that you found the conference informative and worthwhile. The primary goal of this conference was to bring together all the Gastroenterologist on a common platform.

Whatever best we have done, by expanding our capacities, I am sure there could have been still some lacunae. Please forgive us for any lapses on our part.

Thank you for your fullest involvement in the scientific deliberation.

We look forward to your similar cooperation and involvement in the future activities of Gastroenterology Forum.

Your presence helped to make this event a great success and your enthusiasm and positive spirit helped make our time together both productive and fun.

We wish you all the best

Thank you

Best regards
TEAM ISGCON 2017
